Our Values.

Partnership.
Empathy.
Innovation.
Accountability.
Progressive.
Agility.

MA Training Academy (RTO No. 40834) is part of MA Services Group an Australian owned leading security and facilities management company employing 2000+ service personnel across Australia.

We understand the importance of holding current first aid and CPR skills & knowledge and have designed our course with flexible learning options so you can choose when and where you learn.

Choose Your Course

You can choose which delivery option works best for you:

- > 2-day face-to-face (f2f) course or
- > 1-day face-to-face (f2f) with eLearn + theory assessment to be completed before attendance

Check our course calendar for times, dates and locations www.matrainingacademy.com.au

All courses are delivered with strict infection control practices.

Great Training

Great Opportunities

Course Content

- > Responding to emergencies
- > Basic life support, CPR procedures and AED (automated external defibrillator)
- > Applying appropriate first aid procedures
- > Bleeding and wound care, burns and scalds
- > Poisons and toxic substances, bites and stings
- > Shock management and musculoskeletal injuries
- > Dealing with emergency services and reviewing first aid response

Course Delivery Options

eLearn + face-to-face (f2f) assessment

To complete the eLearn course, you will need access to a computer, laptop or iPad. The module can also be completed on an iPhone; however we recommend the above. You will need internet access and a basic level of digital literacy skills. You will need to allow approx. 5 hours to complete the eLearn module and theory assessment which must be completed at least 48-hours prior to your scheduled face-to-face (f2f) practical assessment (1-day).

Face-to-face (f2f) course

Our 2-day face-to-face (f2f) course is fully delivered in the classroom. We have developed on line resources to make your learning much easier. You will be allocated a tablet for use during class time which means you won't have to hand write everything and support will be provided where necessary.

Pre-requisites

There are no formal pre-requisites for students looking to enrol in this course.

Entry requirements

MA Training Academy requires learners to have language, literacy and numeracy skills to an ACSF level 2 for this course. If you require further information on this please contact us.
